

## Equipment Policy

### Standard issue

New hires receive a laptop, monitor, keyboard, mouse, and headset. Engineers may request a higher-specification machine via their manager.

### Requesting equipment

Submit requests through the equipment request runbook. Standard items ship within 3 business days.

### Returns and offboarding

All equipment must be returned on your last day. Damaged or lost equipment must be reported to IT.

### Personal use

Limited personal use of company devices is allowed provided it does not interfere with security or performance.
